

## **Concrete Finisher**

### **Role Description**

Concrete Finishers are responsible for delivering the final quality of concrete surfaces by smoothing, leveling, and repairing placed concrete. This role blends craftsmanship with technical skill, utilizing hand tools, power finishing equipment, and riding machines to achieve specified tolerances and surface finishes. Concrete Finishers play a critical role in meeting customer expectations and completing concrete work to a high standard.

### **Key Responsibilities**

- **Concrete Finishing:** Smooth, level, and finish concrete surfaces to meet project specifications.
- **Tool Operation:** Safely and effectively operate hand and power finishing tools.
- **Daily Execution:** Complete finishing tasks in accordance with daily work plans.
- **Safety and Cleanliness:** Maintain safe, clean, and organized jobsite conditions.

### **Tasks & Duties**

#### **Concrete Finishing**

- Spread, level, and consolidate freshly placed concrete to required depth and consistency.
- Use floats, trowels, screeds, and riding finishing machines to achieve specified finishes.
- Patch surface defects such as voids, honeycombs, and imperfections as needed.

#### **Tool Operation**

- Transport, set up, and properly maintain finishing equipment.
- Perform basic maintenance on hand and power finishing tools.
- Clean and store tools appropriately after each use.

#### **Daily Execution**

- Follow short-interval schedules to complete finishing activities efficiently.
- Adjust finishing techniques based on weather conditions and concrete mix design.
- Coordinate place-and-finish sequencing with the Crew Task Lead.

### **Safety and Cleanliness**

- Use proper lifting techniques and ergonomics when handling tools and equipment.
- Recognize and address slip, trip, and fall hazards during finishing operations.
- Maintain a clean and organized work area during and after finishing activities.

### **Qualifications**

- 1–3+ years of concrete finishing experience
- Commercial construction experience preferred
- Experience using concrete finishing tools and equipment
- Familiarity with riding trowel machines and flat/super-flat floor finishing methods
- Valid driver's license
- Ability to pass pre-employment drug screening and E-Verify
- Willingness to work off-shift hours and overtime as needed
- Ability to lift at least 50 lbs
- Ability to work at heights across multiple levels
